- 6A.9 Student will be able to transfer kicking skills to a variety of lead-up games and activities.
- 6A.10 Student will be able to perform dribbling with right and left hand or foot without looking at the ball.
- 6A.11 **Student will be able to perform basic jump roping skills.**
- 6A.12 Student will be able to perform jump rope combinations with a partner.
- 6A.13 Student will be able to throw a variety of objects demonstrating both accuracy and force.
- 6A.14 Student will be able to demonstrate basic/advance agility movements through plyometrics.
- 6A.15 Student will be able to demonstrate basic/advance tumbling moves.
- 6A.16 Student will be able to keep an object going continuously with a partner or team using a striking pattern.
- 6A.17 Student will be able to hand dribble and foot dribble while preventing an opponent from stealing the ball.
- 6A.19 **Student will be able to perform a variety of simple rhythms.**
- 6A.21 Student will be able to use basic offensive and defensive strategies in a team/individual sport.
- 6A.22 **Student will be able to display the basic skills and safety skills to participate in an activity.**

**Standard B: Demonstrates understanding of movement concepts, principles, strategies, and tactics as they apply to the learning and performance of physical activities.**

- 6B.1 Student will be able to identify offensive and defensive strategies.
- 6B.2 Student will be able to identify proper warm-up and cool-down techniques and reasons for them.
- 6B.3 Student will be able to describe basic principles of training and how they improve fitness.
- 6B.4 Student will be able to evaluate and correct errors in personal performance when performing a skill.
- 6B.5 Student will be able to develop an appropriate conditioning program for a self-selected game/activity to engage in for life.
- 6B.6 Student will be able to explain at least two appropriate game tactics involved in playing a game.
- 6B.7 Student will be able to plan a personal fitness-conditioning program.
- 6B.8 Student will be able to explain the impact to participation in selected sports/activities on various components of fitness.
- 6B.10 **Student will be able to perform proper warm-up and cool-down techniques.**

**Standard C: Participates regularly in physical activities.**

- 6C.1 Student will be able to participate in health-enhancing physical activities both during and outside of school.
- 6C.2 Student will be able to set personal fitness goals and strive to attain them through activities of their choosing.
- 6C.3 Student will be able to accumulate a recommended number of minutes of moderate to vigorous activity three or more days a week.
- 6C.4 **Student will be able to monitor physical activity through the use of a pedometer, heart-rate monitor and/or physical activity log.**
- 6C.5 Student will be able to accumulate a specific number of steps during the day to meet personal goals.
- 6C.6 **Student will be able to willingly participate in a variety of physical activities appropriate for maintaining or enhancing a healthy, active lifestyle.**
- 6C.7 Student will be able to identify relationships between an active lifestyle and “feeling good”.
- 6C.8 Student will be able to use appropriate strategies for affecting behavior change regarding physical activity among adults.
- 6C.9 Student will be able to demonstrate effective time management skills that allow opportunities for physical activity to be created or found during a busy day.

**Standard D: Achieves and maintains a health-enhancing level of physical fitness.**

- 6D.1 Student will be able to maintain a heart rate in target heart rate zone for minimum of twenty minutes.
- 6D.2 **student will be able to self assess heart rate before, during and after physical activity.**
- 6D.3 Student will be able to record a step per second during activity.
- 6D.4 **Student will be able to participate in activities designed to improve or maintain muscular strength and endurance, flexibility, cardio respiratory endurance, and body composition both during and outside of school.**
- 6D.5 Student will be able to demonstrate the ability to work independently, monitor and adjust to achieve personal fitness goals.
- 6D.6 Student will be able to meet the age- and gender-specific health-related fitness standards defined by Fitnessgram.
- 6D.7 **Student will be able to assess physical fitness status in terms of cardio respiratory endurance, muscular strength and endurance, flexibility, and body composition.**

**Standard E: Exhibits responsible personal and social behavior that respects self and others in physical activity settings.**

- 6E.1 **Student will be able to follow rules and procedures.**
- 6E.2 **Student will be able to respect the rights and feelings of others.**
- 6E.3 Student will be able to make decisions to include all team members.
- 6E.4 Student will be able to remain on-task in a group activity without close teacher monitoring.
- 6E.5 **Student will be able to show concern for safety of oneself and others.**
- 6E.6 **Student will be able to show self-control.**
- 6E.7 Student will be able to seek out, participate with and show respect for a peer of a lesser skill ability.
- 6E.8 **Student will be able to recognize the role of games, sports, and dance in getting to know and understand others of like and different backgrounds.**
- 6E.9 **Student will be able to demonstrate behaviors both nonverbal and verbal that are supportive and inclusive in a physical activity.**
- 6E.10 Student will be able to show leadership by diffusing conflict.
- 6E.11 Student will be able to assert leadership to foster a positive learning climate for all.
- 6E.12 **Student will be able to play within the rules of the game or activity.**

**Standard F: Values physical activity for health, enjoyment, challenge, self-expression, and/or social interaction.**

- 6F.1 Student will be able to recognize physical activity as a positive opportunity for social and group interactions.
- 6F. **Student will be able to identify reasons to participate in physical activity.**
- 6F.3 Student will be able enjoy working with others in a sport activity to achieve a common goal.
- 6F.4 Student will be able to see learning new activities and skills as challenging.
- 6F.5 **Student will be able to feel satisfaction when engaging in physical activity.**
