Student Pairing Code [What is a pairing code?](#)

You agree to the [terms of use](#) and acknowledge the [privacy policy](#).

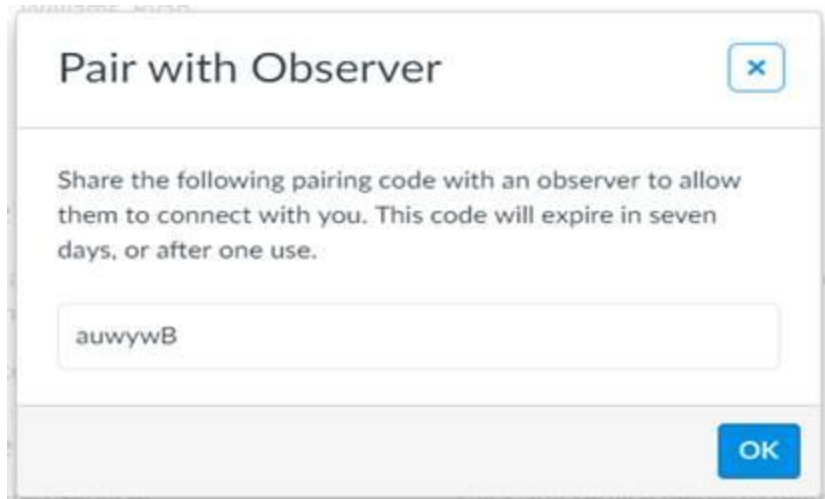

- a. Your child will need to create a **student pairing code** for each observer who wants to link to their account. *The Codes will be valid for 7 days, or after one use.*
- b. Student will login to Canvas with their account.
- c. Select **Account**
- d. Select **Settings**

e. On the Settings screen, select **Pair with Observer**.

f. A pairing code will be generated.

g. **Copy** pairing code and share with observer.

h. Press **Ok**

Observer will have 7 days to use the code and create an account.

4. When you have the student pairing code, finished filling out the Parent form.

5. Agree to the terms and conditions.

6. Press **Start Participating**.

This will allow you to enter the Canvas environment - **1 TIME ONLY!**

7. **Final Step "Check your email to finish the registration process"**.

Once you log out or close your browser, you will not be able to log back into Canvas until you have finished the registration process through your email.

Note: Each Observer will need a separate pairing code for each child.

Pairing codes will expire in 7 days, or after one use.
