Quiz Instructions

We will use this self-assessment three times a year: the beginning, middle, and end of the year. Each time you use this self-assessment, there will be a new “quiz” (three quizzes throughout the year) so that you can see your development and reflections over time. Reflective practice is crucial for self-improvement and gauging where you land on your goals throughout the year will help move your growth and our team’s growth forward.

Each Iowa Leadership Standard is aligned with Marzano's Domains and Elements. You will reflect on Marzano’s Domains and Elements three times a year. We will evaluate the Iowa Leadership Standards only once at the end of the year.
