

Nutrislice FAQ

1. Question: How do I download the free app?

Answer: On your mobile device search “Nutrislice” within the App Store or Google Play and download/install app. Specify your organization by entering “Cedar Rapids Community School District” in the search bar. We encourage you to allow notifications from Nutrislice to receive updates.

2. Question: How do I view upcoming weeks?

Answer: Within your Menu View navigate using the calendar button in the upper right-hand corner. (see below)

3. Question: How can I view menus in a full month format, verses a weekly or daily format?

Answer: Mobile users can only view one day at a time. Online menus are viewable in a weekly format, however when using the print feature menus can be viewed and printed in either a weekly or monthly format.

4. Question: How do I print menus?

Answer: Within your Menu View click on the printer icon in the upper right-hand corner of your screen. (see below)

You will be given printing options. Click by week or month and select the orientation, portrait or landscape. Under Print Settings, you can check if you want to fit to one page.

5. Question: How to view carbohydrate reporting feature.

Answer: Within in your Menu View click on the calculator icon in the upper right-hand corner. (see below)

The screenshot shows the Nutrislice mobile app interface for Cedar Rapids Community School District. The top navigation bar includes the school district name and a location selector (Erskine). Below this, the main header displays 'Lunch Aug 27 - 31' with tabs for 'All Menus', 'Breakfast', and 'Lunch'. A navigation bar below the header contains a date selector 'AUG 27 - 31' and three icons: a calendar, a calculator, and a printer. Red callout boxes with arrows point to these three icons, labeled 'Calendar', 'Carb Report', and 'Print'. The main content area shows a grid of menu items for each day of the week (Monday to Friday), including featured entrees, favorites, and sides. A 'Nutrition Facts' panel is visible in the bottom right corner, showing categories like Meat or Meat Alternates, Fluid Milk, Grains, Fruits, and Vegetables.

27 Mon	28 Tue	29 Wed	30 Thu	31 Fri

6. Question: How to use the allergen/ingredient filtering option?

Answer: Currently, the ingredient filtering option is disabled while we build our database.

7. Question: How do I change the language setting?

Answer: Click on the globe icon in the upper right-hand corner. Select the language you would like translated and click “translate”.

Languages

The screenshot shows the Cedar Rapids Community School District website. At the top, it says "Cedar Rapids Community School District" and "Cleveland". Below that, there's a navigation bar with "Lunch Sep 3-7" and links for "All Menus", "Breakfast", and "Lunch". A message says "Exciting News! Work in Progress. Check back often for new features and more information." The main content area displays a lunch menu for Sep 3-7, organized by day: 03 Mon (Labor Day), 04 Tue (Featured Entree: Jumbo Ravioli, Garlic Toast), 05 Wed (Featured Entree: Rib-B-Q on a Bun, SunButter & Jelly with Cheese Stick), 06 Thu (Featured Entree: Beef Teriyaki Dippers, Buttered Parmesan Noodles), and 07 Fri (Featured Entree: Cheese Quesadillas with Salsa). A "Friday Favorites" section includes Fish Wedge, SunButter & Jelly with Cheese Stick, and Cheese Pizza Round. On the right, there's a "Nutrition Facts" section with buttons for "Meat or Meat Alternatives", "Fluid Milk", "Grains", "Fruits", and "Vegetables". A red box in the top right corner highlights the "Languages" icon, which is a globe.
