

Questions & Answers - Microsoft Licensing  
4/27/2015

Q: Who is the incumbent for the Microsoft agreement?

A: CDW-G

Q: For your optional SQL Server Enterprise Core, Microsoft requires a minimum of 2 licenses. Is it ok to quote it out at 2?

A: Yes

Q: Would you be able to provide a license agreement so we can check the license support dates.

A: Cedar Rapids is working with Microsoft for this years agreement and would have partner selected for RFP work closely with Microsoft to ensure a smooth and timely process in June. The current agreement expires June 30<sup>th</sup>, and the subsequent agreement must be fully processed in place before that date.
