

ERSKINE SCHOOL GENERAL INFORMATION

DISTRICT BUS RIDERS

Postcards have been sent out to those students who qualify for the district school bus. If you feel your child qualifies for a district bus and you did not receive your postcard please call the school office right away at 558-2364.

LOST INSTRUCTION TIME

Our goal is to reduce the amount of unneeded absences in order to increase our instructional time. You might be surprised with how much time is lost due to tardies, missing school and leaving early. We don't want sick children in school or you to miss out on doctor's appointment. We do want children in school, who can be, all day everyday. The end of the day is very important as well. Please refrain from picking up students, if at all possible, early on a regular basis. Every time the office interrupts the classroom at the end of the day, to deliver a message or dismiss a student, teaching time is lost. Thanks for your help with this.

STUDENTS LEAVING EARLY

For your child's safety please come to the office to have your child dismissed from the classroom if you are taking them out anytime other than at the 3:40 dismissal time. All students must sign out on the sign-out clipboard in the office before leaving the building. If they return during the day they need to sign in on that same clipboard in the office before going back to class.
