The goal of the School Volunteer Program is to assist school staff in providing the best educational experience for all students. Effective and responsible volunteers are essential to the success of the program. It is important for all volunteers to turn in a volunteer form and **log in their hours** on the blue volunteer form in the office.

Need: Weekly or monthly volunteers to help students organize activities.

BOLT (Becoming Outstanding Learners Together)

Volunteers needed for all grades. Mentoring, motivating, listening, teaching, students one on one or in small groups. These students are growing in their abilities to stay on track and keep their planners organized. Commitment: Once a week for the entire school year. Need: Adults who like to invest in students and see a difference in their lives. Need a regular commitment to build continuity and relationship for the students. Also need to be able to do 6th-8th grade math.
