

Wright Elementary Student Directory

Every year at Wright we like to do a student directory. This directory is provided to help with communication for homeroom parents, staff, and families. We ask that this information remain private and within the Wright School family. This directory is optional. Only families who sign up will receive a directory. If you have more than one child you can use the same form. If you have a two household family, and wish to participate, please fill out a separate form. Thank you.
