Please print a copy and return the form to Wright Elementary School office with registration materials.

We know time is at a premium in your busy lives. As a Wright School volunteer you can choose your own hours and days that you would like to volunteer. Even if you can only volunteer 30 minutes for the entire school year, that 30 minutes could really make a difference in a child's life. Wright School had 2116 hours of volunteer time for the 2010-2011 school year.
