

Cleveland 2016-2017 SIP Quick Reference

Cleveland Vision

Students will have a belief in their ability to succeed and have been provided the skills necessary to become a responsible citizen and achieve success in the workforce.

Cleveland Adult Culture

Each member of the Cleveland staff will work in a spirit of collaboration and ensure that a safe, nurturing and positive learning environment is provided for all of our students and adults.

In order to meet the needs of all of our students each adult at Cleveland Elementary will:

- Plan differentiated instruction, intervention, and enrichment based on our study of disaggregated data.
- Use formative assessments to monitor student performance and plan for instruction.
- Use positive framing and teacher tone to establish and maintain positive, nurturing relationships
- Display high expectations for all students
- Provide opportunities for students to reflect on their learning
- Consistently require depth of knowledge/higher order thinking

Culture/Equity Focus

Increase positive student/teacher relationships improving academic performance and decreasing time out of the classroom (office referrals).

Action Steps:

- Provide PD on Implementation of buddy rooms and success center
- Provide PD on IRTI process and progress monitoring
- Book Study based around Mindset in the Classroom

Provide PD on implementation of buddy rooms and success center. Provide PD on IRTI process and progress monitoring. Book study based around Mindset in the Classroom book.

Instructional Focus

Intentional Planning using the Units of Study

Continued work with using clear and concise purpose statements, success criteria and models of quality work in student friendly language

Action Steps:

- Analyze self-assessment data to modify and adjust our SIP actions
- PLC teams will continue to refine their six week planning cycles around the units of study
- PD on Essential Components of Strong Literacy Block and new reading resources
- Share samples of student friendly purpose statements and samples of quality work
- Teams continue to develop random sampling to check progress while kids track progress towards goals
- PD on FAST data analysis
