

VISION

Excellence for All

MISSION

Develop 21st Century Learners and Productive, Responsible Citizens

CORE VALUES

We will advocate for the needs of every student.

We will work to build positive relationships.

We will collaborate with colleagues.

We will model and represent the elements of PARRT.

We will use data (formal & informal) to guide instruction.

IMPROVEMENT GOALS

Culture/Equity Focus:

Teachers will work diligently to continue developing positive student relationships to bring a stronger sense of student connection to school.

Instructional Focus:

Teachers will use higher level Depth of Knowledge questioning and post and communicate purpose statements daily in their classroom.

Teachers will improve instruction through collaboration with colleagues using the Framework of Robert Marzano.

GUIDING PHILOSOPHY

Continuous Improvement
