# ***HARRISON ELEMENTARY***

## ***School Improvement Plan on a Page 16-17***

---

### **Super Goal #1**

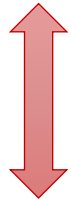

**By the end of the 16-17 school year, at least 80% of Harrison students will receive 0-1 office referrals.**

- Positive Interactions between students and adults
- Reteaching expectations as needed

### **Super Goal #2**

**At least 80% of Harrison students will score proficient on each unit math assessment.**

- Professional learning based on setting learning goals and proficiency targets, tracking progress, and celebrating success.
- Engaging students in setting their own goals and tracking progress toward their goals.

### **Super Goal #3**

**The percent of Harrison students scoring proficient on the FAST assessment will increase with each assessment.**

### **Super Goal #4**

**Harrison's average daily attendance will remain above 95.5% for the 16-17 school year.**

- Celebrations for individual, classroom, grade level, and school wide goals met.
