

The fastest way to:

- Move money to another provider
- Receive cash (if eligible)
- Move money outside the plan (if eligible)

is to login to planwithease at <https://www.planwithease.com/erelius/> like this...

The screenshot shows the login interface for planwithease.com. At the top right is the logo for planwithease.com. Below it, the word "Login" is displayed in bold. There are two input fields: "User Id :" and "Password:". Below the password field are two buttons: "Participant" and "Sponsor". A blue callout box on the right contains the following text: "Your initial user id is your 9 digit social security number (No dashes or spaces)", "Your initial password is your birth date as MMY", and "Select Participant". Arrows point from the callout box to the User Id and Password fields, and from the "Participant" button to the "Select Participant" text in the callout box.

Once logged in, go to the transactions option and complete the e-form. You will receive an electronic certificate. Give this certificate and the provider's form to your provider.

If you are a first-time user and have problems logging in or wish to transact in an account with a provider that refuses to share information with PWE, contact the RIC office for assistance at 866-460-4692, option 1 or 515-725-2135. Click [here](#) for a list of providers sharing information with PWE.

Please do not use the planwithease 800# for help with transactions. This line is a dedicated line to employers/plan administrators.
