

Jefferson High School

VISION

Excellence for All
Develop 21st century learners and productive, responsible citizens

VISION FOR STUDENT LEARNING

Self-efficacy and resiliency
Academics
Social, emotional, and behavioral skills
21st century and employability skills

STAFF COLLECTIVE COMMITMENTS

Clearly state and communicate all learning targets
Provide timely and descriptive feedback on students' progress
Plan and deliver meaningful learning activities for the entire period
Maintain positive attitudes throughout the day

MOVING FORWARD

Culture & Equity Focus

Increase college readiness for African American students

Instructional Focus

Educators will improve instructional strategies to increase academic rigor

MONITORING THE EFFECTS

Student Outcomes and Measures

Instructional Practices Inventory ("IPI") will be used to collect data on our instructional focus

Timeline & Frequency

IPI data will be collected and communicated four times a year
