

Cedar Rapids Facilities Steering Committee Agenda

CHARGE:

- Review and understand existing facility needs as currently defined by the Buildings and Grounds Dept. and Shive-Hattery.
- Review proposed campus based projects submitted from campus leadership teams and prioritize using an evaluation tool aligned with the Visioning Committee's Guiding Principles.
- Present a list of prioritized campus based projects to the district for inclusion in the Facility Master Plan.

January 21, 2013 @ 5:30PM-8:00PM
ELSC: Cedar Rooms B and C

AGENDA

- Welcome / Revisit Committee's Purpose
- Review Committee Timelines
- Practice Scoring a Facility Proposal
- Read/Score Facility Proposals in Small Groups
- Next Steps / Plus Delta meeting evaluation

Collective Commitments:

- Listen respectfully to one another
- One person speaks at a time
- Willingness to consider other perspectives.
- Continuous focus on how the group contributes to the Facilities Master Planning study.
- Equity in voice
- Begin and end meetings on time and stay engaged during meeting time
- Assume good intent about others

VISITOR GROUND RULES:

- Listen quietly while committee work in in Progress
- Save comments and questions until the meeting has ended.
- Consider the "big picture" of the facilities master planning process as work progresses.
