<p>Good ideas to allow collaborative efforts.</p> <p>Nice to add the Oct. 30 & Nov 5 dates as options to bring others to hear about the process.</p>	<p>So many PPEL needs that many in the room were more concerned about "fixing" existing areas than new innovative ideas.</p> <p>Timeline is tough due to conferences & end of trimester.</p>

Things to consider - have each building representative come & present their building needs & wish list. 10 minute presentation maximum with 5 minutes for Q&A. Would be much more meaningful than a short narrative. This could give groups time to plan for a specific date in January, February or March.
